Health & Dental Care

*for those who qualify

Who We Serve

The Rural Parish Clinic offers mobile medical and dental services to uninsured residents in rural areas, specifically targeting individuals age 19-64 (medical) and 16+ (dental) who meet income guidelines.

What We Do

Medical care includes: preventative care, chronic disease management, and mental health care.

Dental care includes: cleanings, extractions, fillings, and dentures.

How to Contact Us

☎ Medical Clinic: 888-870-9610

- 📍 Union - Franklin County
- 📍 Warrenton - Warren County (medical only)
- 📍 Farmington - St. Francois County

Patient Perspective

“As soon as I walked into the clinic, Sister Mary Rachel saw how serious my condition was, gave me the medications I needed on the spot, and connected me to long-term support—all for free. Because of the care I received, I’m back at work and supporting my family again. The clinic gave me a second chance.”
